 2. Updates on KEN reporting) Ann Riggs (Miko Pattie
 3. Updates on Riggs Miko Pattie, Al Lind, Ann
- Internet2 Access for the K12 Community
- 3.1 **Miko Pattie reported on the stimulus package. This is a one time opportunity for long term gains. The proposal should be overarching, collaborative and eye catching. Think BIG Ideas.**
 - 3.2 **CPE has formed 7 groups to develop proposals for stimulus funding.**
 - i. College Readiness
 - ii. STEM
 - iii. NASA
 - iv. E-health
 - v. Technology and networking
 - vi. Energy and sustainability
- More information on the stimulus package and the \$3.2 Billion is available at kentucky@work.ky.gov**
4. Internet2 Committee Updates
 - a. K-12 Users Group
 - i. Meeting this month has been replaced by individual discussion/brainstorming sessions
 - b. Internet2 Postsecondary
 - i. Scheduled visit to the Eastern Kentucky 2/4/09
Gene Kleppinger planned a great day for our visit to Eastern Ky U.
Gene did a wonderful job of getting us around the campus and

providing introductions to faculty and staff in many different departments who have the potential to utilize Internet2 resources.

- ii. Schedule visits to U of L, Murray, Northern KY U
- iii. Rescheduled visit to U of K—**May 6, 2009**

c. Updates on 2010 Games

- 1. Education committee
- 2. Virtual Events—**Committee is working on plans for Virtual Events in Fall 2009**
- 3. April 2010 International Equine Summit (**in 2010 in Lexington**)

5. Upcoming Conferences

a. Faculty Development Conference on the Scholarship of Teaching and Learning, May 20, 21

- i. in the Colonnade Room of the Marriott (Griffin Gate)**
- ii. Testing on Tuesday—Windstream has the router in place**
- iii. Test with Robert Lee at U of K for I2 connection**
- iv. Let Vince Marletta know in advance of the testing**

b. New Horizons, KCTCS, May 18, 19

- i. Annual event for faculty presentations**
- ii. JCC peering Circuit with ATT**
- iii. check on hotel charge**

c. KySTE, June 17-19

- i. Tim Sizemore indicates that Bullitt County (site of event) has high level of connection available for I2**

d. TEC Conference in Fayette County

- i. Jeff Jones will share additional information as available**
- ii. Some of the TEC events will be available via streaming.**

6. Additional items suggested by the group

- i. Several schools participated in a live surgery sponsored by U of K Telehealth initiative. The event was very successful for the schools.**

ii. Jeff Jones held a PD for Resource teachers at U of K. Jeff spoke of the differences between video conferencing using the advanced network such as I2 and other less robust tools

- 1. Robyn Phillips will help identify the 2009 Convergence Dates**
- 2. CMS is hosting a discussion of Blackboard contracts on 4/27/09**
- 3. The next Bi-monthly meeting of the Kentucky Internet2 Group is scheduled for May 18th (This date is in conflict with the KCTCS New Horizons Conference)**

Following the May meeting, the next Bi-monthly meeting of the Kentucky Internet2 Group is scheduled for July 27, 2009
